

Santa Monica accident (N53178): 5 March 2015

Witness Statement of Mr. Aguglia:

He and his golfing friends were on the 3rd hole of the golf course (which is next to the west golf course fence (west boundary of golf course). He said he hear the aircraft overhead and it sounded “good” and then the sputtered once or twice and then the engine shut-off.

He observed the aircraft make a U-turn back to the runway and began gliding to the runway. After a while he lost sight of the aircraft and assumed he made it.
